THE CALUMET

Spring/Summer 1990

Governor General's Message:

The National Board met June 13, 1990, at the home of the Governor General. We are continuing to experience growth in our Society, which is very encouraging. Please recruit friends as new members; we need your continued help and support. The Registrar General reported 168 approved with several applications pending additional proof.

Your many expressions of sympathy were appreciated upon the death of my dear husband, Lawrence, February 21, 1990. Your kindnesses have helped me continue the type of organizational work we both enjoyed. Thank you.

Virginia T. Avery
Governor General
