

The Continental Society Daughters of Indian Wars

THE CALUMET

THERE IS GOOD NEWS TO REPORT!! We are growing. The Registrar tells us that we are nearing the two hundred fifty number. Keep up the good work. New York has set their date to organize in May and Illinois is expected to organize in June. Your Governor General is pleased to be invited to both organizational meetings. She is also happy to announce that she has been invited to represent our organization at several meetings in Washington this month.

Our membership certificates are beautiful. They are 11x14 and hand lettered. They are decorated in red and blue with the ribbon and seal. The cost is fifteen dollars and they may be ordered from the Registrar, Mrs. Richard H. Rice, Registrar General, 2876 Faraday Court, Decatur, GA 30033. Mrs. Rice also asks that you do not use highlighter on your application papers but that you underline instead.

The Treasurer has made an order form for your convenience in ordering supplies. You are urged to buy and use the flags and to repeat the salute to the flag of the Continental Society as well as to the flag of the United States of America. "I salute the flag of the Continental Society Daughters of Indian Wars and the object for which it stands."

The Historian General, Mrs. Lockwood, reminds you that now is the time to start the history of your state society. Even though you are not yet organized, it will be nice to know, in time to come, who, why, how, when and where your state was organized and the good you did on the way.

The Librarian General, Miss Louise Tysor is now Mrs. Randy Lee Snyder. She has moved to 1301 Garfield Street, Freemont, Ohio 43420. She wishes to thank the many people who sent cards and letters of good wishes to her and congratulations to her husband following her marriage in January. She also asks that you keep in mind the book collection.

The Atlanta History Center has agreed to house our books. They will be available for use by prospective members as well as members. Two new books have been added, a gift of the Oklahoma Society. They are complete lists of the graves in large cemeteries. A special THANK YOU to Oklahoma. There is a book Wish List. For names and prices of those which have not already been purchased contact the Librarian.

A mistake was made in the yellow brochures which have been passed out to prospective members. The required age for membership is eighteen. The brochure gives the age as sixteen.

Miss Virginia C. Walker is the recipient of the scholarship this year. She is enrolled in Preconsumer and Hospital Services Program at Milwaukee Area Technical College. We wish the very best for Miss Walker.

Something new has been added. There is now a Junior Membership Committee. If you have not already heard, a very energetic young lady from Indiana is the chairman. She is Miss Nancy McCombs, 2613 Eby Drive, Connersville, IN 47331-1847. Contact her for particulars.

The Continental Executive Board met in Indianapolis, Indiana in February. We all, must admit that we have never been more beautifully entertained. Not only were all comforts provided but transportation to and from the airport was most appreciated. The speakers were well chosen to help us understand more about the needs of the Indians as well as some of the beautiful beliefs, many of which we share, just using different words. The Sunday morning service was one we shall not forget. THANK YOU INDIANA for a meeting we shall remember.

If there is illness or death among the members, your chaplain would like to know it. Mrs. Loy L. Hudson, Chaplain General, 98 North Washington Street, Hagerstown, IN 47348 will send cards or letters.

Mark your calander for the 17, 18, and 19 of September. The Council Meeting will be held that week end and surprises are in store. We will honor Chief McIntosh. Did you know that he was a very successful business man in the white world as well as a very successful Indian Chief? There is much to learn about him.

Mrs. Lawrence Avery sends a hello to all those friends who helped with the beginning of this organization. Her words were "thank you".

REMEMBER: Your officers are here to help you. If you do not have the names and addresses of those you need, contact the Governor General.

Membership and Scholarship are the two most important things on our agenda at the moment.

We look forward to seeing you in September.
