

CALUMET

Vol 11

Winter 1999

From the Governor General's Desk

I want to thank all those who worked so hard to make the September Council a real success. It looked like everyone had a good time. A special thanks goes to Audrey Karlovich whose Plan B worked very well when the river proved too shallow for the trip down the river and we went to Berry Schools instead. The informative trip to the Chieftain Museum was very enjoyable. I think we all came away with a different perspective of Major Ridge. We want to thank Mary Jackson and Shelby Whitson who were in charge of transportation.

Ron, George, and Wallace did a great job when the Silent Auction turned to a Live one. Thanks Guys!

The 2000 meeting will be held September 21, 22, & 23. This change will place the Council meeting just prior to DCH Conference which will be held in the same hotel for the convenience of our members who belong to both organizations. Please mark your calendars.

Congratulations New Mexico on receiving your Indian Head. Wear it proudly.

We want to welcome Annette MacRae, North Carolina Organizing Governor. If you have friends in North Carolina who would be interested send their names and addresses to Annette MacRae, P. O. Box 940, Bethel, NC 27812-0940.

In this Calumet you will find order forms for Supplies and Insignia. I am very pleased to hear that some of our members have already received their insignia with ancestor bars. It has been a long hard road. Just ask Pat Hopkins and Dorothy Hoff.

Our luncheon in Washington will be held April 18th, the Tuesday of DAR week as usual. Please look for information concerning this event in the letter which will follow Winter Board.

The Executive Board and the Board of Management will be hosted by the South Carolina State Society for Winter Board January 28th & 29th. See last page of this Calumet for more information.

In Bonds of Peace,

ALABAMA--The State Society gathered at "The Club" high above the city of Birmingham to witness the Chartering of the State Society on the 12th of November. The Governor General, Registrar General and Recording Secretary General were honored guests at a luncheon celebrating the event. Governor Shelby Ward presided. The Governor General gave a brief history of the Society and the Scholarship. It was a beautiful day and nothing could have been more beautiful than the wide vista overlooking the city.

CALIFORNIA-- The State Society held an old fashioned "Round-up Party" on 23rd of October. Guests were greeted at the door and given Arrowhead pendants on leather thongs. All guests were also given a free door prize ticket. SPECIAL door prize tickets were given to those who brought a toy. A ticket was given for each toy contributed for the Indian Children. Drinks and appetizers were served on the patio. At this time the guests were given time to browse through the items for the silent auction. This was followed with a luncheon of Barbeque Beef and Chicken, Cole Slaw, Baked Potatoes, Home Made Baked Beans, Pumpkin Cheese Cake and White Cake with CSDIW colors in icing. Favors consisted of straw cowboy hats. The tables were decorated with water filled bowls in which floated yellow and terra cotta colored chrysanthemums. After lunch the winners of the auction were announced. The items that received no bids became the focus of a live auction conducted by Honorary State Governor, and Past Recording Secretary General, Billie Bailey. Mrs. Bailey's wit and charm produced some lively bidding and all of the items went to satisfied bidders. Three Honorary State Governors, Bledsoe, Lewis, and Bailey were in attendance.

Mrs. Bledsoe is also the present Second Deputy Governor General.

MISSOURI--This State Society is going strong with 35 members! Their annual State Council meeting was held in July in Frontenac with Judith Stenzel presenting an outstanding program, "Indian Beliefs and Legends". The program was the highlight of the meeting. The Missouri Society feels honored to have among their members Mrs. Charles Ragsdale, Honorary Governor General and Mrs. Daniel Carr, National Chairman of Current Events. This Society is looking forward to their coming year of CSDIW activities and will be striving to increase their membership-Way to Go Daughters!

A little humor---Five elderly DIW members were traveling down State Route 25 going very slowly. A sheriff pulled them over, walked up to their car and greeted them with, "Hello Ladies, where are you headed?" The driver replied they were returning home from a DIW meeting. The officer replied, "You know you are driving so slowly you could cause an accident." The driver replied, "But officer, the speed limit sign is right there", pointing to the route sign, "I was only doing the speed limit!" As he listened to her explanation, he noticed the ladies in the back seemed to be nervous and a couple of them were kind of pale. The officer asked them if they were okay. The other lady in the front seat said, "Oh yes! They are just fine now. You should have seen them when Mable got off the 117!"

Send me your activities for the Summer Calumet. Deadline June 1st.
Thanks, Reporter Barbara Stone

Executive Board Meeting: Friday night after 9:00 PM, **Board of Management** Saturday night after 9:00 PM. We will be joining the South Carolina Society for lunch on Saturday. There may be time for a brief meeting at lunch. If not, business will conclude Saturday night. This should allow time for any touring you want to do on Sunday.

Those who want to do research in the South Carolina Historical Society or Huguenot Society libraries will find them open on Thursday and Friday, Saturday morning but not on Sunday. I will be in the Charleston area begining Thursday and leaving Monday morning. Ernestine has offered to shuttle members to and from the libraries and has offered to see that members will get into a fine plantation home that is on the tour lists. I think it is Boone Hall. The hotel is at Patriots Point where the Yorktown Aircraft Carrier is open for touring. Hope to see you at the Battery (pronounced Bot tree). Of course you must get a copy of the State Paper (pronounced Stay et pay ay puh) You will love the accent, I do.

Susan Chamberlain has a surprise for us. I'm anxious to see what she has come up with this time. Whatever it is I know it will be fun and make money for the Scholarship.

INSIGNIA ORDERING INFORMATION

J. E. Caldwell & Company is still in the process of completing the designs for our insignia, but we are a couple of steps closer, we ask your patience.

1. Take care in completing the form. Print or type information. I'm sure you do not wish to pay for another pin because the jeweler couldn't read your writing. The jeweler can't be held responsible for your errors. Keep a copy for your records.
2. Send one copy only to the Treasurer General. (Currently Lucy Blocker, 3202 Superior Lane, Bowie, MD 20715-1997) Include a first-class, post-paid, 4"x9-1/2" envelope addressed to J. E. Caldwell & Co., 1339 Chestnut St., Philadelphia, PA 19107-3583. The treasurer general will verify your eligibility, sign and mail the order form to Caldwell in the envelope that you have provided. If you wish some type of confirmation that your order was received by the treasurer general, include a duplicate copy of the order and a SASE envelope or a stamped postcard for her to use.
3. Caldwell will fill your order when our insignia is ready and either bill you direct or charge to your credit card, according to your directions on the insignia ordering form.
4. First items that will be available are:

A. Official star insignia	\$45.00
B. State Bar, this is the state Society that you belong to, Not the state in which you live.	40.00

These two items must be ordered together. The state bar holds up the 4" ribbon that the star insignia hangs on.

C. Ancestor bar, when available	\$40.00
---------------------------------	---------
5. Next available should be the ancestor bar (which is in the form of a curved arrow). We are awaiting a design prototype. There will be no rank listed on the ancestor bar.
