SUMMER 2006

GOVERNOR GENERAL'S MESSAGE

My, how time does fly! It has been my pleasure to serve you for nearly three years now, and soon my time will be over. This is my last message to you as your Governor General. It has been a wonderful and rewarding experience.

Since the last newsletter we have had our Winter Board meeting in Atlanta. Thanks to Jean Belew for all of her hard work and to Dee Rice for the wonderful trip to Warm Springs. I learned how to ride a "scooter" for the handicapped. Boy, you can buzz around pretty good.

In February I represented CSDIW at the Texas Society Colonial Dames XVII Century. In March I represented the Society at the Texas Society DAR. Had a wonder visit in Orlando, Florida with that society and its Governor Jean Mann. My first trip ever to the state. Also had a great time at the Georgia Society meeting, thanks to my driver and hostess Dee Rice.

In April in Washington, DC we enjoyed our annual social gathering. Special ones present were Peggy Christie, Honorary National President USD 1812; Mary Walker, former President General, Daughters of the Republic of Texas, Karen Avery Miller, founder and National President of Guild of Colonial Artisans and Tradesmen 1607-1783. I enjoyed representing our Society at the brunch for Dames of the Court of Honor; the tea for Daughters of the American Colonist; opening night for Colonial Dames XVII Century; and order of American of Armoral Ancestry.

May brought Daughters of the Republic of Texas convention. And, for the third and last time I am honored to represent us at opening night of Continental Congress of DAR. In July I am making a return visit to the Kansas Society.

See elsewhere in this newsletter for details of the annual convention here in September in Houston. Fay McKinney is planning great things for you.

During my three years it has been my pleasure to visit the following State Societies; Texas, California, Tennessee, Alabama, Georgia, Florida, Maryland, Kansas, Missouri, Illinois, and Michigan. Each trip was filled with many happy memories. I have tried to share the highlights in photos and my babbling "good times". I had hoped to make more states, but things just did not work out. My heartfelt thanks to my hostesses and the many wonderful members I met over the miles.

Everyone hopefully has someone with whom they cannot do their particular job or task. Usually it is a spouse or child. In my case, my ex-husband would not have been any help, and my son lives in Tennessee. Fortunately, I have someone who is like a sister to me and whom I love dearly. Without Fay McKinney, I could not have traveled this road, or if I had without her, it would have been very rocky and lonely. She has been there for me through good times & bad (except for photo opp with Wayne Newton!). I love you Fay.

May you moccasins carry you to as many wonderful places ----

OLD AGE

The other day a young person asked me how I felt about being old. I was taken aback, for I do not think of myself as old. Upon seeing my reaction, she was immediately embarrassed, but I explained that it was an interesting question, and I would ponder it, and let her know.

Old age, I decided, is a gift.

I am now, probably for the first time in my life, the person I have always wanted to be. Oh, not my body! I sometime despair over my body ... the wrinkles, the baggy eyes, and the sagging butt. And often I am taken aback by that old person that lives in my mirror, but I don't agonize over those things for long.

I would never trade my amazing friends, my wonderful life, my loving family for less gray hair or a flatter belly. As I've aged, I've become more kind to myself, and less critical of myself. I've become my own friend. I don't chide myself for eating that extra cookie, or for not making my bed, or for buying that silly cement gecko that I didn't need, but looks so avante garde upon my patio. I am entitled to overeat, to be messy, to be extravagant. I have seen too many dear friends leave this world too soon: before they understood the great freedom that comes with aging.

Whose business is it if I choose to read or play on the computer until 4 a.m. and sleep until noon?

I will dance with myself to those wonderful tunes of the 60's, and if at the same time, wish to weep over a lost love ... I will.

I will walk the beach in a swim suit that is stretched over a bulging body, and will dive into the waves with abandon if I choose to, despite the pitying glances from the bikini set.

They, too, will get old.

I know I am sometimes forgetful. But there again, some of life is just as well forgotten ... and I eventually remember the important things.

Sure, over the years my heart has been broken. How can your heart not break when you lose a loved one, or when a child suffers, or even when a beloved pet gets hit by a car? But broken hearts are what give us strength and understanding and compassion. A heart never broken is pristine and sterile and will never know the joy of being imperfect.

I am so blessed to have lived long enough to have my hair turn gray, and to have my youthful laughs be forever etched into deep grooves on my face. So many have never laughed, and so many have died before their hair could turn silver. I can say "no" and mean it. I can say "yes", and mean it.

As you get older, it is easier to be positive. You care less about what other people think. I don't question myself anymore. I've even earned the right to be wrong.

So, to answer your question, I like being old. It has set me free. I like the person I have become. I am not going to live forever, but while I am here, I will not waste time lamenting what could have been, or worrying about what will be. And I shall eat dessert every single day.

INSIGNIA – WEAR IT WITH PRIDE

... BUT WEAR IT CORRECTLY! CSDIW Insignia is a project in transition. Over the years both the styles and manufacturer have changed. J.E. Caldwell is now our official jeweler and can be reached toll free at 1-800-786-5890 in Philadelphia.

All pieces now available are pictured on the order form in this publication. All General Officer and Continental Chairman insignia is gold, State insignia is red and Chapter insignia is blue. All of our official sashes are now available through Caldwell and are woven in one solid piece, rather than the sewn together ones of the past. The active officer sash will be red with a wide multi-color center stripe and past officers will wear a narrow center striped sash.

Officers General will wear special insignia, furnished and owned by the Society. Upon completion of a term the member may purchase a gold Past Officer General Pin to wear on her membership ribbon. Continental Chairmen may purchase and wear the gold bar to designate her office, it is also available to be worn by any Past Continental Chairman.

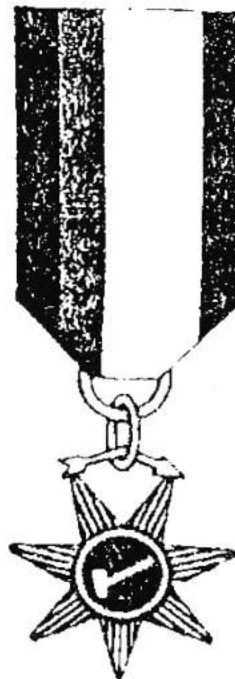

The red State Governor's insignia is usually owned by the State and passed on at the end of each term. It is used as the header pin with only the official Insignia Star suspended at the bottom of the ribbon. Some States will have older pins that have the state name incorporated into the pin and may be gold in color. Use of these may be continued. The State Bar may be worn on the ribbon under the new State Governor insignia. At the end of her term the outgoing Governor may purchase the Past State Governor Bar to wear on her own membership ribbon.

The blue Chapter Governor Bar may be owned by the Chapter and passed on to each Governor to wear on her own membership ribbon, beneath the Chapter Bar, which all members may wear. After her term, she may purchase and wear the Past Chapter Governor Bar.

The official membership insignia consists of a State Bar as the header for the ribbon from which the Star Insignia is suspended. Proper placement of other insignia on the ribbon will always be the highest office the member has held at the top, in this order: Past Officer General Continental Chairman, Past State Governor, Chapter Bar, Past Chapter Governor, Life Member Arrow, Ancestor Bars. A Miniature Star on a narrow ribbon is also acceptable for official insignia

Wear your insignia only for official functions, when properly attired in dress or pants suit. For daily wear the Miniature Star Pin shows your Society pride to the world.

PROPOSED CHANGE TO STANDING RULES

As it now appears:

- 3. The Winter Board Meeting will be held in the Atlanta, Georgia Vicinity.

Change to:

- 3. The Spring Board of Management will be held in Washington, DC in April at the beginning or end of the other organizational meetings. The time to be determined by the current Governor General.

Rational: More of our members are in DC in April and it will be more convenient and less expensive for all or us.

FROM THE DESK OF THE REGISTRAR GENERAL:

- 1. Please underscore in RED ink the proof applicable to the person on the application form. It is particularly difficult to read some the older documents that have been photocopied. Wills and Gravestones are particularly difficult. It is helpful to have a transcription included.
2. Be sure to use a good typewriter ribbon on the applications. If it is not sharp and clear, please use BOLD type. If neither is clear, use a fine black pen and print clearly. If you are using one of our new discs make sure you have enough ink in the printer. Many of our earlier papers did not microfilm well and you will need access to the original which is in the McElreath Library at the Atlanta History Center. A member from one of the Atlanta area chapters will have to have the original copied. (A librarian will assist her and the staff member will make the copy. They prefer to handle the original applications themselves)
3. Some of the ancestors were omitted in Volumes 1 & 2 of the Ancestor Registry. If your ancestor was left out, please notify me and I will make sure it is recorded in Volume 3.

From the Historian General 2004-2006

Please send me the items of interest about your chapters so I can add to the memory-history book. I am certain that you are doing exciting and wonderful activities and we want to hear about them

Thanks,

Beverly Van Lund, 751 Rancho Simi Drive, Covina, CA 91724 e-mail: vanlund2@aol.com
