GOVERNOR GENERAL'S MESSAGE

Accolades to Honorary Governor Marie Russell for 3 ½ years of work to the Society well done. This is an administration I look up to. This Governor General will try her best to live up to what she has learned to make the Society, one we can all be proud of.

This Governor General takes great privilege in thanking the Texas Chapters for a great Annual Council in Houston in September 2006. As always when we go to Texas they go all out to make us feel welcome and the trip to the "San Jacinto Monument" and the museum.

We took a trip to the Theater which tells the story of Texas in the 160 seat, 35 minute story of Texas Forever. If you ever go to Houston and have not viewed this, it is well worth your time to do so. We next went to the Kemah Boardwalk on Galveston Bay which included restaurants, shopping and amusements.

The next day was our day of registration and meetings,

I look forward to seeing all of you in Washington DC on the 5th of April 2007 at the Holiday Inn Central 1501 Rhode Island Avenue. You can go ahead and make your reservations. We have 15 rooms reserved from the 4th thru the 14th at 149.00 plus taxes per night. Ladies it was no easy task to find a Hotel. This is a good price. Find you a room mate and have fun. the telephone # is 800-248/0016, be sure and mention CSDIW to get the rate quoted above. on the 13th and 14th there will only be 8 rooms reserved. Those are very busy days. So get your reservations in now. The Meals for the 5th will be in elsewhere in the Calumet with the registration and reservations for the 5th. The DC Chapter will be our Host for the First Spring Board meeting in DC.

This is a REMINDER, If you have anything concerning the Continental Society Daughters of Indian Wars, Please direct all your calls to the Governor General, I am here to help in any way I can, and I do work at the correctness of the year book and when any member or family member is ill or a tragedy in the family, direct your correspondence to me, The very least I can do is call and send a card. All State and Chapter Governors I ask that you send to me a list of your members or better still a Year Book and keep the address updated, the resigned, dropped deceased members. These list also must be sent to (Chaplain) any sickness or death, (Registrar) Resigned, dropped and deceased. Treasurer) All of the above.

In Sharon Mountain's own words

I am an enrolled member of the Red Lake Band of Anishinabe and I am Dakota of the Lower Sioux Band. My Indian name is "Red Drum Woman".

Art has been part of my life since I was a child. I used art to escape the emotional and physical abuse. I love to doodle, sometimes my best drawing comes out in my doodling.

In the Sunday paper there was an ad about an art school in Minneapolis. There were pictures, if you copied them and sent them in you may be accepted. I applied to this school, I was so excited when I received a card from them. I was disappointed because they wrote back and said due to my age I was too young and to try at a later date. I was only eleven then.

I was placed in foster homes since I was six weeks old, at the age of thirteen I was placed in an institution for youth due to I had no parents and people didn't really want the headache of raising a teenager. For many years I lived and survived in the streets of Duluth, Minnesota where drugs and alcohol were introduced to me. These past years I have learned to use my experiences in a positive way and to give back in helping someone else.

My goal is to put art and chemical dependency together as a healing program for women and youth. My sister has written a program using the Sacred Hoop. I would like to extend it with arts where women and youth express themselves through encouragement and positive feedback. Presently living on the Yankton Sioux Reservation in South Dakota there are no specific programs that use art as a healing tool within a recovery process.

I have twenty-four years of sobriety, and I have met a new challenge by coming to the Institute of American Indian Arts. I am learning more about color coordination, texture, format of negative and positive and a new vision in seeing more than just an object. I would like to continue with my education and receive my Bachelor of Fine Arts.

I would like to encourage women and youth to use art as a healing tool to express themselves through pictures, stories, dances and songs. Through the Sacred Hoop process and using art I hope to be a positive role model for others to follow.

In the past years, I've had my art displayed at the Minneapolis Indian Center, a private showing at my home in Minneapolis, a showing at the Minneapolis Southern Theater, Medicia in Edina, Minnesota. As a self-taught artist I have worked hard on bringing my art out to the public. I thank the Creator for giving me a second chance in my art, as I now feel more appreciative of the style I am learning in art school.

FROM THE DESK OF THE REGISTRAR GENERAL

1. Please underscore in RED ink the proof applicable to the person on the application form. It is particularly difficult to read some of the older documents that have been photocopied, especially wills and gravestones. It is helpful to have a transcription included.
2. If your typing is not sharp and clear, please use BOLD type. If neither is clear, use a fine black pen and print clearly. Many of our earlier papers did not microfilm well, and you may need access to the original in the McElreath Library at the Atlanta History Center. A member from one of the Atlanta area Chapters will have to arrange the copying. A Librarian will assist her and the staff member will make the copy. They prefer to handle the original application themselves. You will be billed for copies and postage.
3. Some of the ancestors were omitted in Volumes 1 & 2 of the Ancestor Registry book. If your ancestor was left out, please notify me so that it can be recorded in Volume 3.

NAVAJO SANDPAINTING

Sandpaintings are traditionally created at the beginning of ceremonies by the medicine man or woman. He or she spreads a base of sand on the floor of the hogan, and then carefully sprinkles different colored sand to create unique designs symbolic and important to that particular ceremony. The colors were traditionally made by grinding native rocks and charcoal. When the ceremony ends, the painting is rubbed away.

You Are a Part of Me (adapted)

You are a part of me now
 You touched me.
 With your kindness and love
 So enchanted
 Your soft lips were kind.
 Your eyes glowed with life.
 I'm glad you touched me.
 You're a part of me now.
